ULTRA-FAST CHARGING

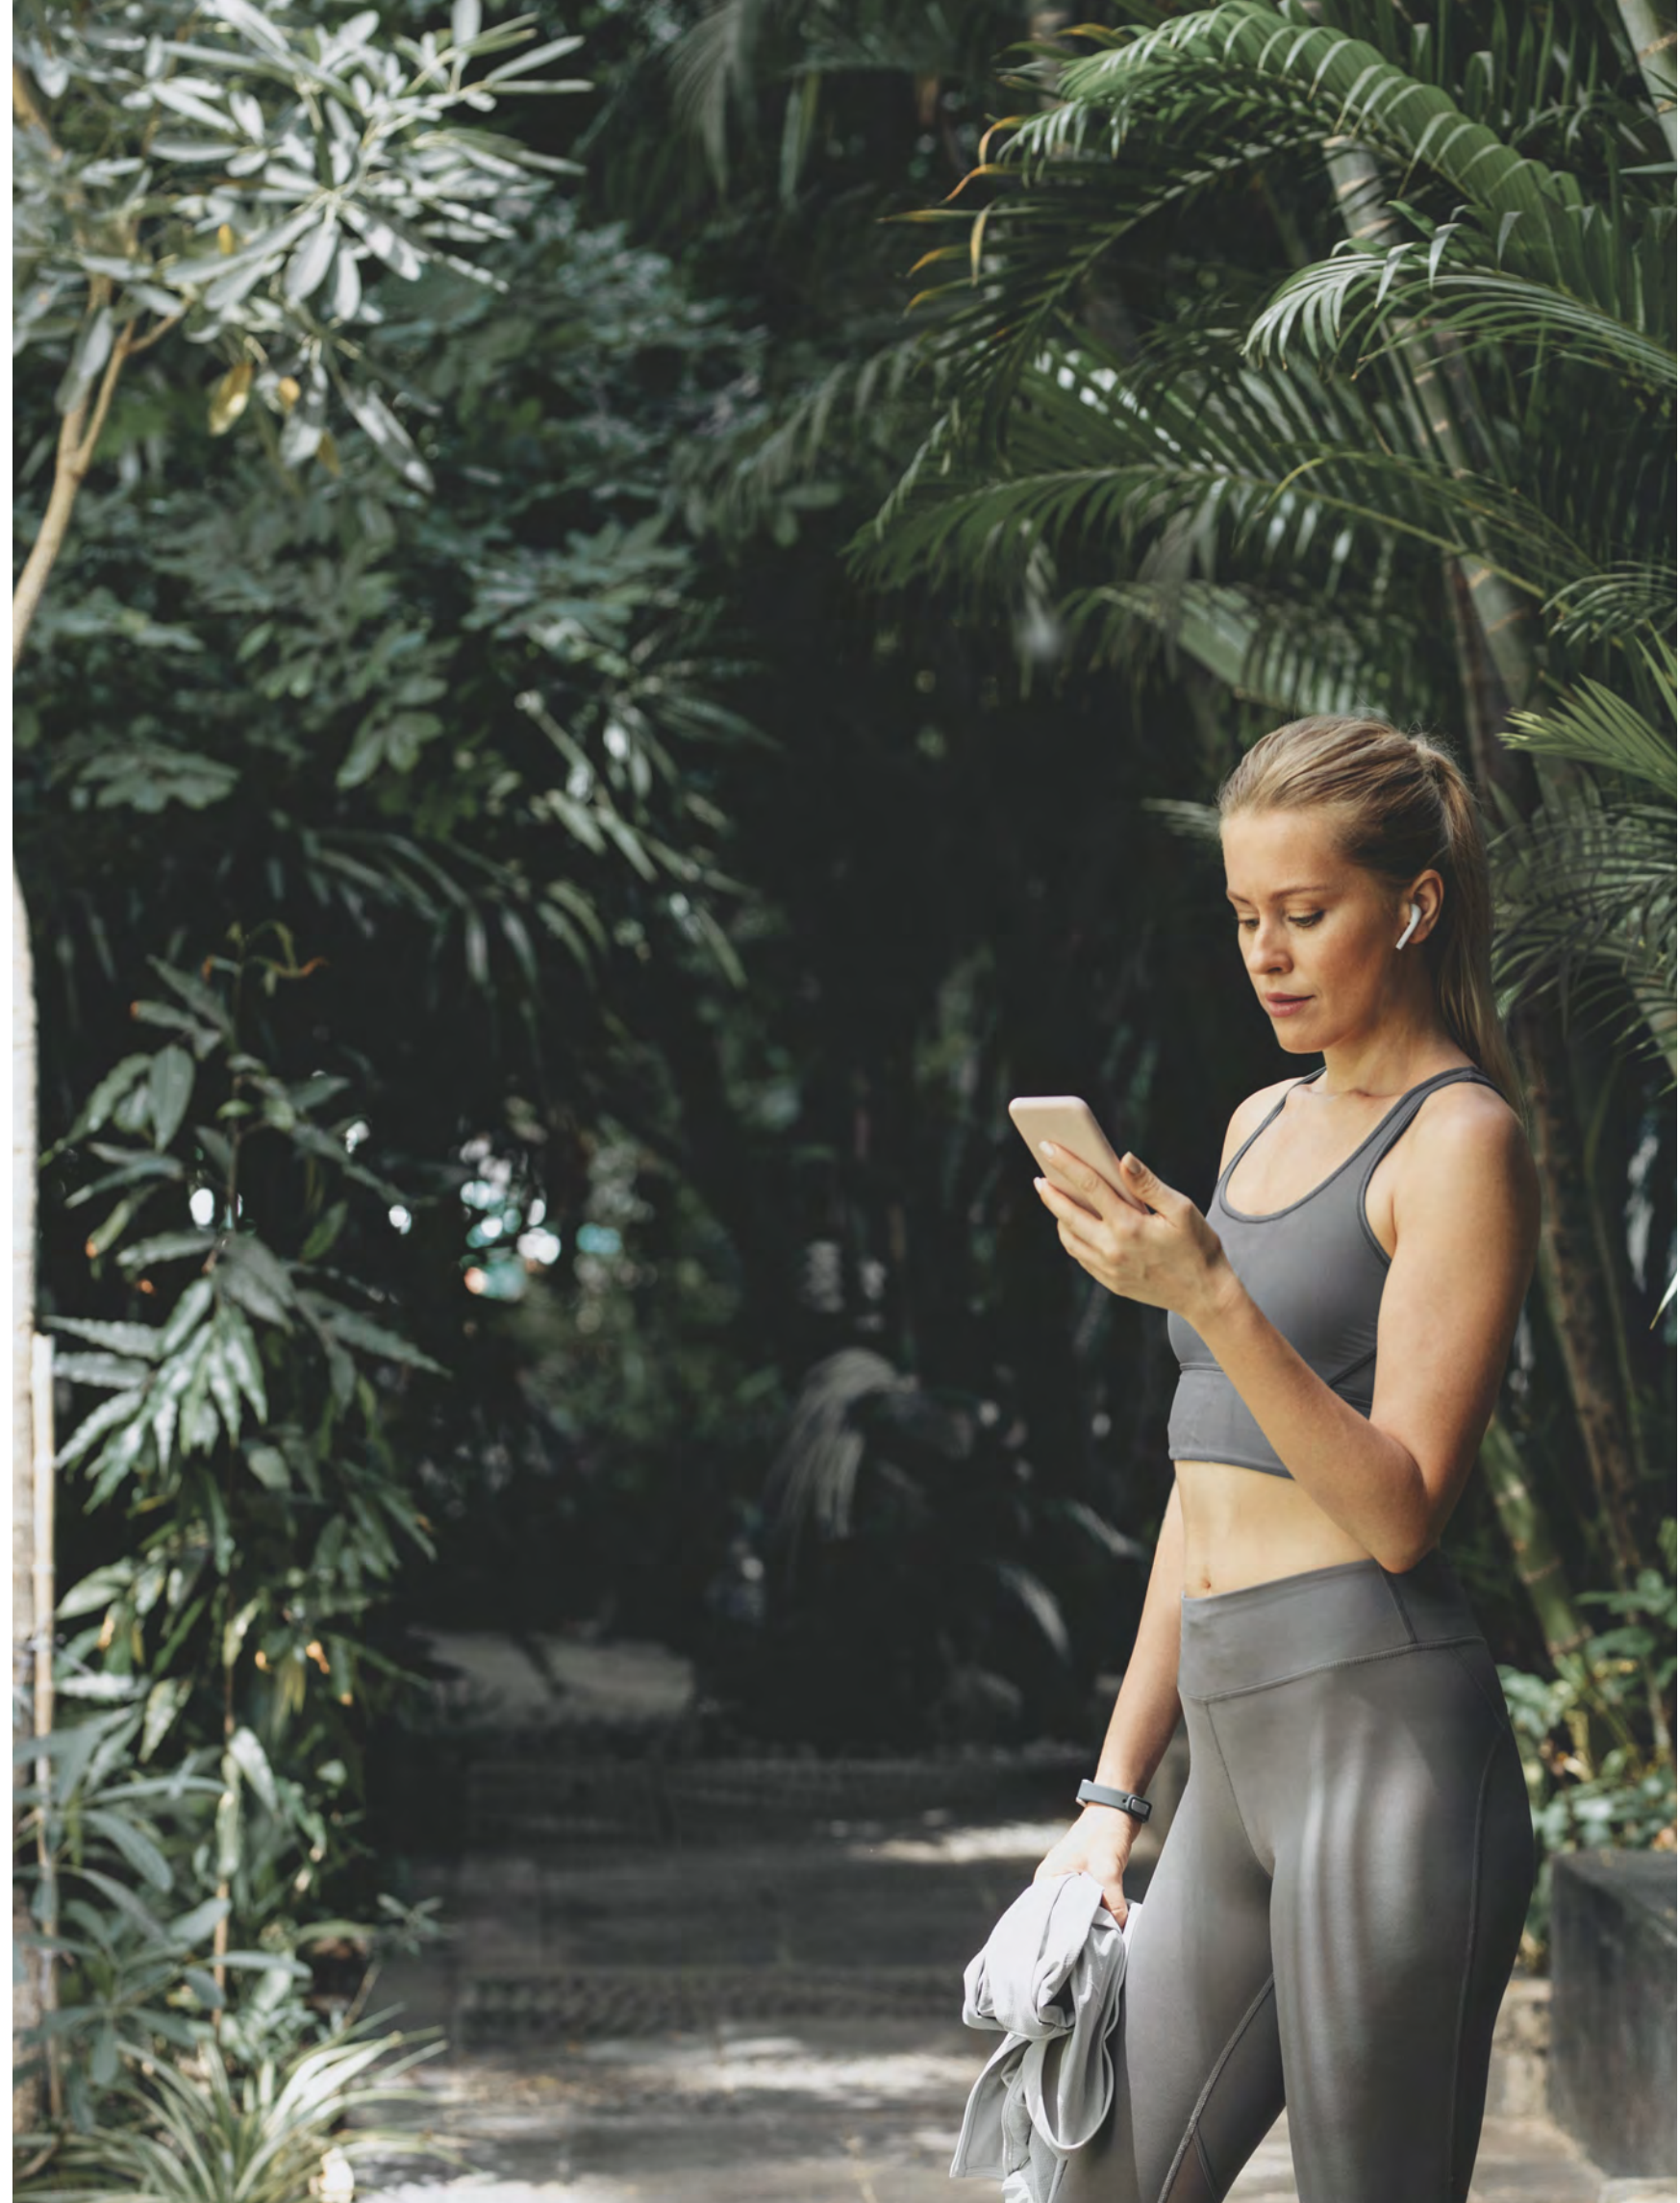

M2 Series PowerBank offers up to 22.5W charging speed and charges your phone to over 55% capacity in 30 minutes.*

Coupled with the instant charging feature of M2 Series PowerBank, you can now always stay connected wherever you are.

Charging time

	10000mAh	20000mAh
 iPhone 12	2 _x	4 _x
 Galaxy S21	1.5 _x	3 _x
 iPad 9	0.7 _x	1.4 _x

*GP internal test result for charging an iPhone 12 individually using M2 PowerBank.

SAFE AND SOUND

M2 Series PowerBank is built with layers of safety protection ensuring your devices are reliably powered, and avoiding over-charging, short circuits, over-heating and other possible hazards.

Charging speed is optimally regulated with features that allow low power charging for wireless headphones and smartwatches.

Smart advanced protection
